

Affinity Partner Program

Dunbar Water works with local business partners to offer water treatment services. This free program is an opportunity to work together to streamline the experience for our mutual clients. The information below outlines the benefits of our Affinity Partner Program. For additional details or to sign up free of charge, please email us at info@mrh2o.com or call [1-866-426-2273](tel:1-866-426-2273).

Benefits include:

- Preferred pricing on laboratory testing and treatment services
- Expedited preliminary estimate provided the same business day the certified lab report is received
- Final installation estimates within one business day
- Preferred install and post-install test scheduling to meet closing deadlines for realtors
- Free 3 credit hour CEU classes with a minimum of 10 participants
- Monthly Partner Recognition Program
